

VICTORIAN AUTISM SPECIFIC EARLY LEARNING AND CARE CENTRE

TALK & TOUR SESSIONS

Thursday 4th May 2017

Staff and families of La Trobe University's Autism Specific Early Learning Care Centre (ASELCC) would like to invite interested parents and professionals to one of our "Talk & Tour"

On this day, staff from the centre will conduct three structured 'talk and tour' sessions that run for approximately 1.5 hrs. Sessions are focused on providing an overview of the ASELCC, which will involve a brief outline of the Early Start Denver Model intervention program, as well as information about the ASELCC philosophy and objectives. Each session includes a brief tour of the ASELCC, highlighted by an opportunity to observe the autism-specific playrooms from the dedicated Observation Room, which is ideally situated between the two playrooms.

Places are limited and allocated on a first-in basis. Paid parking is available and public transport is available nearby.
